Aerial Desk & Table

Supporting a 32mm solid timber table top, powder coated cylindrical sections form the curved leg detail. While it can stand alone, the table also integrates seamlessly with additional Aerial modules. In combination, the modular configuration presents a unified expression of partial or full circles, depending on the layout.

The Aerial Collection is designed by Wood Marsh Architecture for Grazia & Co.

Craftsmanship:	Designed and manufactured in Australia
Materials:	Solid timber with specified finish
Lead time:	10 to 12 weeks. Lead times may vary during peak periods.
Suitability:	Indoor use
