warranty

- i. warranty period of 3 years for the structural integrity of the furniture under 'normal use'
- ii. chipping and scratches on powder coated metal due to wear and tear are not warranted
- iii. metal pieces that are not specific to outdoor use that are exposed to the elements are not warranted
- iv. raw metals oxidise and tarnish over time and are not considered faults of manufacturing
- v. natural stone is a material sourced by external and independent suppliers that have unique and specific warranty details that can be obtained as required on request
- vi. broken, missing or ceased attachments like levelling feet, rubber stoppers and felt pads are not warranted

all terms outlined in this document are applicable exclusively to projects and orders that are based in australia.

for warranty claims outside australia, please note that a 12 month warranty period will apply, all claims are to be taken up with the international selling agent

craftmanship: manufactured in australia

materials: stainless steel frame, natural stone or compact laminate

lead time: if not in stock, 10-12 weeks

suitability: indoor and outdoor use

finishes & product care

powder coated

items wash as required with warm soapy water using a soft clean cloth. for marine or commercial environments, we recommend regular cleaning. do not pressure wash or steam items that are powder coated. if powder coating chips due to a knock and / or rough treatment this is not covered by warranty. touch up paint can be purchased on request (depending on availability). scratches and chips should be repaired as soon as they appear.

marble, granite and tile

surfaces grazia & co use various marbles, granites, bluestone and tiles. these stones are a natural product so the colour and veins can vary. these hard surfaces can be cleaned with warm soapy water. leaving food residue or liquid on the stone for an extended period can penetrate the stone and cause permanent staining. staining and chipping of the stone is not covered under the warranty and is considered general wear and tear.
