all spills must be actioned right away- blotting the area immediately with a clean, dry absorbent cloth. never bleach, tumble dry, machine wash or iron. have velvet upholstery professionally cleaned according to the velvet suppliers' recommendations. to remove dust, vacuum regularly using low suction and soft brush attachment or using a soft lint brush.

custom specified upholstery

please refer to individual suppliers for information on care and maintenance of fabrics that have been specified by a designer, as these will be outside the standard grazia&co range. most interior upholstery fabric should be regularly vacuumed and kept away from direct sunlight.

powder coated items care

wash as required with warm soapy water using a soft clean cloth. for marine or commercial environments, we recommend regular cleaning. do not pressure wash or steam items that are powder coated. if powder coating chips due to a knock and / or rough treatment this is not covered by warranty. touch up paint can be purchased on request (depending on availability). scratches and chips should be repaired as soon as they appear.
