craftmanship: manufactured in australia

materials

table top: oak timber veneer or stone top
leg/base: solid oak in natural or stain finish
lead time: 8-10 weeks. Lead times may vary during peak periods.
suitability: indoor use

solid timber and timber veneer

grazia&co timber furniture is finished with a clear satin lacquer inclusive of an ultraviolet light protector. this may reduce the harsh effects of direct sunlight although cannot eliminate fading and discolouration completely. therefore, we do not recommend furniture be left in direct sunlight for long periods of time. avoid placing hot crockery on furniture surfaces which in turn may burn, discolour or lift binding agents. coasters, clothes and mats can be placed between the surface and the hot object. do not position furniture over or next to heating or electrical appliances. please ensure furniture is not exposed to excessive quantities of liquids or moisture which may absorb into the timber. this may result in movements of the timber, change in form, cracking or mould. if your furniture is being used as a writing surface, grazia&co recommends blotters or pads to prevent ball point pens leaving imprints in the timber top. objects resting against or on top of furniture should have some form of padding between the timber and the object. avoid bare metal or sharp pointed edges. a small amount of natural movement of the timber is expected as it adapts to the conditions of your home, due to variations in humidity and temperature.

marble and granite

surfaces grazia & co use various marbles, granites, bluestone and tiles. these stones are a natural product so the colour and veins can vary. these hard surfaces can be cleaned with warm soapy water. leaving food residue or liquid on the stone for an extended period can penetrate the stone and cause permanent staining. staining and chipping of the stone is not covered under the warranty and is considered general wear and tear.

please visit [grazia&co website](#) for further details.
